Instructions:

- Meet with your advisor to determine the coursework for your degree upon completion of your 2nd semester of enrollment in your program.
- Fill out the front and back of this form, get Advisor/Dissertation Chair/Coordinator signatures, then return it to the Graduate School for final review/approval.
- The original plan should be submitted upon completion of 2 semester of coursework. An approved plan of study must be on file before you can file the Application for Degree (Deadlines: 20th day of classes in Fall/Spring, 10th day in Summer).
- List ALL required courses. Excess hours are not permitted.
- TRANSFERS & Credit for Prior Learning (CPL): List course number & name, transfer institution & state as shown on transfer transcript (or CPL information from approval). A quarter hour is equal to 2/3 of a semester hour. Transfer hours or CPL are not included in the GPA. CPL is only allowed when approved by Graduate Council.
- REVISIONS: Identify additions (A) & deletions (D) to previously approved plan.

Regulations:

- 60% of the total WSU hours must be numbered at the 800 level or above. For programs entered from a Bachelor's degree, 60% of the total WSU hours must be at the 700 level or above AND 50% plus one credit hour must be at the 800 level or above. Transfer hours cannot be used to meet these requirements unless they are at an appropriate level from a KBOR institution.
- No grade lower than a "C" (generating 2.00 grade points) is acceptable on a Plan of Study.
- Approval of a course on a plan of study comes with the expectation that that course will be completed with a grade of "C" or better. If a lower grade is already in place at the time the plan is approved, approval implies that the course will be repeated with an acceptable grade.
- In order to meet requirements to graduate, students must achieve a 3.00 GPA on both the Plan of Study and in the cumulative grad GPA at WSU.
- Beginning with the Fall 2019 catalog year, all degree bound students must complete their program's **Applied Learning Requirement** in order to graduate. The requirement will appear in the degree audit. Please consult your department for details or more information.
